PACKAGES & PRICING

Whether you are planning a wedding, birthday celebration, special event, or a private party we are here to handle all your bartending needs! We provide expert bartenders and bar service for parties of any size. Our staff is fully trained, certified, insured and ready to provide you with superior bartending service at your next event.

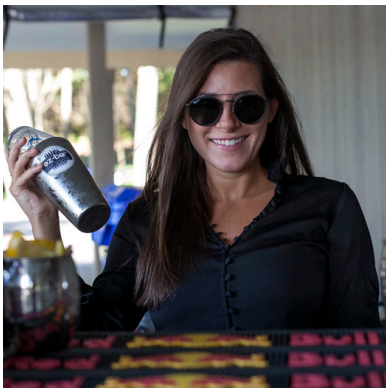

We handle everything needed for full bar service including specialty drink design, custom craft cocktails, alcohol ordering, and provide all the equipment and supplies needed for your full service bar.

I know this is an exciting time and we love the planning process.

Our goal is to make your big day stress free and enjoyable for both you and your guests. We aim to please and can accommodate any request to ensure your day is exactly what you want.

" Sit back, relax, and let us bring the spirits to you! "

EZ-Bar's Premier Bar Package is an all inclusive bartending package that will exceed all your expectations. Our experienced bartenders will bring everything needed for complete beverage service at your event. This package is perfect for those who want a hassle-free service for all of your beverage and bartending needs.

This Package starts at \$12.95 pp and includes: the bartender, mobile bar or bars with linens, set-up and breakdown, non-alcoholic beverages, custom crafted cocktails, mixers, garnish, beverage ware, cups, ice, coolers, decorations, clearing of tables, bar trash removal, and of course experienced professional staff.

Alcoholic beverages are not included in package price. We design a menu to best fit your needs and theme and then purchase, pickup and deliver.

We do the shopping for you!

To get a quote please get in touch and let's get this party started!

* Additional bartenders, servers, and services available upon request
